

IOWA UST FUND PROGRAM ADMINISTRATOR

The Iowa Comprehensive Petroleum Underground Storage Tank Fund Board hereby invites interested parties to request a copy of the Request for Proposal to be the administrator of the Iowa Comprehensive Petroleum Underground Storage Tank Fund Program. The Request for Proposal is available beginning May 3, 2010, and bid submissions are due on or before July 6, 2010.

The UST Fund Board is requesting proposals because the term of the existing contract for administration of the program ends on December 31, 2010. In 2009, the Board paid in excess of 1.5 million dollars for the administration of the program. The Board intends to award a two-year contract beginning January 1, 2011, with up to four possible one-year extensions.

The responsibilities of the UST Fund administrator include administration of approximately 793 claims against the Fund's remedial account and 212 claims against the Fund's innocent landowners fund. The administrator must also oversee all aspects of the day-to-day operation of the UST Fund Program under the direction of the UST Fund Board.

Beginning May 3, copies of the Request for Proposal on file with David S. Steward, General Counsel to the Iowa UST Fund Board, Lucas State Office Building, 321 E. 12th St., Room 18, Des Moines, IA 50319, are available for examination from 8:00 a.m. to 3:30 p.m., Monday through Friday. A copy may be obtained from the General Counsel's office at a cost of \$25.00, payable to the State of Iowa, by writing the General Counsel at the above address.
